EXAMINER'S REMARKS

Oath/Declaration

1. The oath or declaration is defective. A new oath or declaration in compliance with 37 CFR 1.67(a) identifying this application by serial number and filing date is required. See MPEP §§ 602.01 and 602.02.

The oath or declaration is defective because:

Receipt is acknowledged of papers filed under 35 U.S.C. 119 (a)-(d) based on an application filed in EPO on 12 DEC 2002. Applicant has not complied with the requirements of 37 CFR 1.63(c)(2), since the oath, declaration or application data sheet does not list the proper date of filing of the foreign application. A new oath, declaration or application data sheet is required in the body of which the present application should be identified by application number and filing date and that includes the correct foreign application data.

Reasons for Allowance

2. The following is an Examiner's Statement of Reasons for Allowance:

The claims are deemed allowable over the prior art of record in view of Applicant's remarks filed 1 DEC 2005. With regard to claim 7, EP 1099469 lacks the recited separate annular segments spaced apart to define gaps therebetween (as clarified by Applicant on page 10 of the remarks) and Ogasawara et al. lacks the recited ribs and bar-like regions of the body (as clarified by Applicant on page 11 of the remarks).

Art Unit: 1723

3. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Charles E. Cooley whose telephone number is (571) 272-1139. The examiner can normally be reached on Mon-Fri. All official facsimiles should be transmitted to the centralized fax receiving number 571-273-8300.
